SENIOR PLAYER CODE OF CONDUCT

Last updated: January 2023

You must ensure the standards of the [Fair Play Code](#) are applied by demonstrating the five core values that will lead to fair play for all:

- Integrity
- Respect
- Responsibility
- Fairness
- Safety

In addition to Netball Victoria's and Stonnington City Netball Association's (SCNA) [General Code of Conduct](#), as a senior player in any activity held by or under the auspices of Netball Victoria, Region, SCNA or an affiliated Club you must meet the following requirements in regard to your conduct during any such activity or event.

1. Fully comply with the [Child Safety in Netball Code of Conduct](#).
2. Respect the rights, dignity and worth of fellow players, coaches, officials and spectators.
3. Refrain from conduct which could be regarded as sexual or other harassment or bring the game into disrepute.
4. Abide by the rules and respect the decision of the umpires. Be courteous and use the correct process when seeking a rule clarification. Verbal abuse of officials or other players; deliberately fouling or provoking an opponent and throwing/damaging equipment is unacceptable and will result in suspension from play for players and possible banning of entrance to the Centre during competition.
5. Participate fairly and safely – this includes acting within the rules and directions of umpires and association officials
6. Respect the talent, potential and development of fellow players and competitors.
7. Care and respect the uniform and equipment provided to you.
8. Be frank and honest with your coach concerning illness and injury and your ability to train and play fully.
9. Conduct yourself in a responsible manner relating to language, temper and punctuality.
10. Always maintain a high standard of personal behaviour.
11. Be honest in your attitude and preparation to training. Work equally hard for yourself and your team.
12. Cooperate with coaches and staff in relation to programs that adequately prepare you for competition.
13. Do not engage in practises that affect sporting performance (alcohol, tobacco, drug use).
